

# SOUTHWEST HOMESHARE PROGRAM

## Have a Spare Bedroom?

---

Local workers need affordable housing, find a match that works for you through [HomeShareOnline.org](https://HomeShareOnline.org)

The Southwest Homeshare Program addresses local housing needs by optimizing available living spaces. It pairs homeowners with spare rooms with those looking for affordable accommodation in Durango. Homeowners earn extra income and support the community by offering cost-effective lodging. This partnership promotes inclusivity and connection, making our town a better place to live.

---

### Make a Profile

Answer a few questions about yourself and what you're looking for in a housemate. Choose your room rental rate or work exchange preferences.

### Find a Match

View interested parties online. Privately message your matches, get to know each other, talk through logistics, and more- all through the portal!

### Create an Agreement

Once you have found a suitable match, create an agreement that outlines the terms of rent, work trade, house rules, and other arrangements.
